Karaktär The Pet Nat has a cherry red color. The wine has notes of fresh red fruits such as cherries, currant and raspberries. On the palate the fruitless of some black fruits including plums and blackberries are present. It has a sweet entry and a refreshing finish provided by the fine bubbles of carbon dioxide.

Tillverkning The Pet Nat of Alpamanta is made of 100% Criolla Grande a native Argentinian grape variety. The organically grown grapes are produced in the Valle de Uco. The wine is produced with the ancestral technique, this winemaking Ttechnique involves bottling wine partway through its primary fermentation to trap carbon dioxidegas in the bottle, creating a gentle, bubbly carbonation. The wine was made without addition of sulfur.

Passar till As an aperitif or with a fruit dessert, it is as charming as with vegetarian dishes or as an entertainer

Information In 2005 three close friends, Andréj Razumovsky from Austria, his cousin André Hoffmann from Switzerland and Jérémie Delecourt from France joined forces to establish a boutique winery in Mendoza, Argentina, in one of the New World's best suited regions for grape cultivation. Their mission: To produce supreme quality wines in a single vineyard estate Utilizing state-of-the-art, organic/bio-dynamic methodology.
