**Druvor** Petit Verdot 100%

**Alkoholhalt** 12%

**Totalsyra** 6,3 g/l

**Restsocker** 1,7 g/l

**Sortiment** Restaurang

**Karaktär** On the nose it presents delicate floral notes combined with fruity notes of pineapple, white peach, quince and jam, delicate and elegant. On the palate it has a soft and refreshing entry, provided by the fine bubbles of carbon dioxide dissolved in the wine.

**Tillverkning** Pet Nat Petit Verdot is finely carbonated wine fermented by native yeasts from 100% natural native varieties without additives or preservatives. White wine made from red grapes floated with oxygen to oxidize phenols and thus obtain fine characteristics. The base wine was made without adding sulfur dioxide or other additives fermented by indigenous or autochthonous yeasts, when the base wine reached 15 grams of residual sugar, we fractionated the wine in ecological bottles that resist pressure with a crown cap specially designed for this. The fermentation in the bottle was carried out through the Ancestral method.

**Passar till** Alpamanta Brev Pet Nat Petit Verdot goes well as an aperitif, accompanied by dishes with vegetables or white meats and can also be a great complement for dessert time.

**Information** In 2005 three close friends, Andréj Razumovsky from Austria, his cousin André Hoffmann from Switzerland and Jérémie Delecourt from France joined forces to establish a boutique winery in Mendoza, Argentina, in one of the New World's best suited regions for grape cultivation. Their mission: To produce supreme quality wines in a single vineyard estate Utilizing state-of-the-art, organic/bio-dynamic methodology.
